This large, beautifully appointed two bedroom villa comes with panoramic views over Kata bay. It features wrap-around timber balconies on two levels, where you can enjoy a truly tropical view. The lower level features a large dining and living room and is surrounded on three sides by covered decks, looking over both the gardens and the ocean.

The villa comes fully equipped with all amenities you could think of while the interiors have been cleverly designed in an Asian style to complement the architecture.

The upper level contains two large bedrooms with wooden floors. Both have ensuite bathrooms. A lovely villa.
