Trichada Villas - the project consists of modern villas, which was built near the Laguna Phuket resort in 2017 and is still a favourite place for expats and guests to relax in Phuket. The project is quiet and peaceful due to its location, away from the hustle and bustle of more congested areas of Phuket such as Patong Beach. The architecture is simple and fresh, with a white color palette and many tropical plants and flowers. There are 25 villas in the project. Villas with private large pools and tropical gardens around the villas. You may enjoy a sun lounger outdoors or dine with your family in the al fresco dining area. Trichada consists of one-story pool villas set in lush tropical gardens. The villas consist of 2 or 3 bedrooms, ranging from 100 to 150 sq. m., which are located on a plot ranging from 280 to 490 sq. m., respectively, each with its own swimming pool and parking. The concept of the project is to provide a relaxing atmosphere and feel at home. The developer has developed a plan for the one-story villas in order to provide you with the complete privacy of your home in Phuket.
