What's nearby

The Kata Beach area is one of the most popular with tourists around the world. Here, a huge number of restaurants, bars, shops, massage parlors, tourist attractions, markets, food courts and beauty salons are collected. The main advantage of this place over other areas of Phuket is its compactness. All the richest infrastructure of the area is concentrated within a radius of just two kilometers. You can get from the hotel to the beach on foot in just 10 minutes.

Who suits

Wekata is a profitable investment project and is ideal for those who invest in overseas property. The developer offers to join the guaranteed rental program and receive 7% of the annual income for 8 years! After the end of the program, you can use the buyback option for 100% of the original cost.
