The project consists of villas ideally located in the heart of Loch Palm Golf Course in central Phuket and surrounded by beautiful natural views of lush green hills. This is an ideal destination for golf fans. The project is presented with a private pool. Each villa is furnished and equipped with an open kitchen connected to the living room, and you can enjoy cooking with your family. Swimming pool with salt system, large terrace with sun loungers.

Infrastructure

The project is managed by professional management and has a clubhouse, 24/7 security, video surveillance, reception and parking. An underground power supply system has been installed throughout the project.

What's nearby

You can enjoy a potential location surrounded by shopping malls and educational institutions, be it Sea Cor Market, Prince of Songkla University (Phuket Campus), Central Festival, Tesco Lotus and Makro. Convenient location, you can easily reach both Patong Beach and the city centre.

For whom is it suitable

Perfect for families with children and golf lovers.
