14 eco friendly villa are being built in a private residence in Phuket.

The plot of land (already registered in the form of a title deed) is bordered by a tropical forest and is a residence of 14 villas, therefore, on both sides of a wide alley, at a convenient distance from each other.

Each villa and common area is surrounded by a hedge.

Organic style, correct geometry, rounded architecture, streamlined shapes and geometric shapes will help you perceive the space of the house in a new way, discover new facets of yourself and know the deeper things.

The project is distinguished by an abundance of evergreen vegetation, a garden on the territory of the villa, well-thought-out landscape design, as well as design taking into account the peculiarities of the region and climate - we pay special attention to waterproofing, drainage, and ventilation of the villa's premises.

Proxima Villas - Where Innovation Meets Tropical Serenity

Discover a new dimension of luxury living at Proxima Villas, a boutique collection of 14 exclusive residences where cutting-edge design harmonizes with lush tropical surroundings.
