The philosophy revolves around planting a quality pool villa with an outstanding design over a golden value land investment area. This villa offers the perfect opportunity for individuals to create their dream home, a relaxing holiday getaway, or a valuable addition to their rental property portfolio.

The Modern Pool Villa is located on the highest point of Pa Sak Soi 8, where the most luxurious pool villas in Phuket are found. Seize this opportunity and create a harmonious work-life balance through a secure and rewarding investment.

The accommodation is beautifully designed with a comfortable and simple concept of modern contemporary living.

The punctilious interior design makes the villa feel like home and a holiday retreat every single day.

The villa offers luxury and modern decoration with working spaces, a party spot, a living area, and a cozy bedroom with views over the highland area. Using high-grade materials such as wood tiles, granite, and natural stone tile walls, the pool with its jacuzzi creates a sweet home ambiance.

The famous Laguna complex and Bang Tao beach are located only 10 minutes away from the villa, while the community center, with its abundance of restaurants, bars, and the unique department store "Central Porto De Phuket," is just 5 minutes away. A prestigious five-star golf course can be reached in 10 minutes, and the newly opened "Blue Tree" water park is a mere 2-minute drive away.

Embrace the stunning surroundings and create a place you can truly call home, where modern luxury meets comfort and convenience. Don't miss out on this opportunity to turn your dreams into a reality.
