The Zero Bangtao offers a modern, eco-conscious living experience in the heart of Phuket, combining luxury with sustainability. This forward-thinking condominium, comprising 85 units across seven storeys, sets a new standard for environmentally responsible development while delivering exceptional comfort and convenience. Located near Bangtao Beach, the property is designed with innovative green features, including solar panels, a rainwater harvesting system, and heat-resistant windows. As Phuket's first plastic-free condominium, The Zero Bangtao promotes sustainable living through renewable energy and efficient resource use. Amenities include a 25-meter swimming pool, a state-of-the-art gym, a spa with a sauna, steam room, and ice bath, as well as a co-working space for productivity. Families benefit from a dedicated Kids Club, while green transport options such as EV charging stations and an electric shuttle to Bangtao Beach support an eco-friendly lifestyle. Investors can take advantage of a 70/30 rental pool program for steady returns, supported by a prime location close to premier restaurants, tennis courts, and golf courses. Cutting-edge technology, including 1Gb fiber broadband and a property management app, ensures convenience for residents and investors alike. The Zero Bangtao's sustainable design features recycled materials in flooring and kitchen finishes, underscoring its commitment to environmental responsibility. With elegant interiors, modern amenities, and a focus on sustainability, this development is an exceptional choice for those seeking a smart, eco-conscious lifestyle in Phuket.
